

**Carson City Public Works
Utility Rate Schedule
Effective: July 1, 2022**

1.0 PURPOSE:

The following utility rate schedules establish the utility rates for the water, wastewater, and stormwater utilities for all customer classifications, and fees charged to any person or customer utilizing the specified services provided by Carson City. The following rates are found and declared to be reasonable and just, taking into consideration: the cost and value of the systems; the cost of maintaining and operating the systems; the necessary allowances for depreciation; the amount necessary for the retirement of all bonds and other securities payable from revenues of the systems; the interest accruing on all such securities; and necessary and appropriate reserves.
